

BIOGRAPHY

Kimberly Swan

Agency Development Assistant

Kimberly Swan became a member of the OAA team in 2014. She is a detailed multi-tasker and moved quickly through the ranks with roles in administration, finance and now, agency development. She has worked in a variety of industries, including oil and gas, retail, real estate development, and insurance. Her attention to detail and ability to seek innovative ways to tackle challenges head-on makes her a great asset to OAA and its members.

Kimberly holds a bachelor of science in business administration, marketing from Oklahoma State University. Kimberly is extensively involved in charity work. The Junior League of Oklahoma City recognized her with the *“Above and Beyond the Call Award”* five years running, as well as *“Remarkable Shop Board Member”* for three years, two of those as its chairman. Other endeavors the Oklahoma City Alumnae Chapter of Kappa Alpha Theta and several other local fundraising efforts.

Kimberly enjoys spending time with her niece and nephews in outdoor adventures including bow and gun target shooting, fly fishing, swimming, and four-wheeling. Her other hobbies include event planning, decorating, swing dancing, shopping, volunteering, and walking her fur babies.
