

## BIOGRAPHY

### **Ron Hanna**

Chief Operations Officer

Ron has been an entrepreneur his entire life and is a Corporate Business Development Professional. He has extensive experience and expertise in public and private sector business development programs, merger and acquisition strategies, purchase negotiations, personnel development and organizational leadership. He joined OAA in the summer of 2014.

Ron is married to Kati Hanna, a partner at Innovative Partners, which is a strategic growth consulting firm. They have two children, Jackson 13, and Elle 11. They live in Edmond, Oklahoma. As a family, they enjoy snow skiing and golfing. Ron graduated from the University of Texas and is an avid Longhorn fan. He has also been deeply involved in the horse racing industry for the past 25 years.
